## CONGRESSMAN BUCK MCKEON

March 3, 2003

Federal Election Commission  
Attn: Jill Sugarman  
999 E Street NW  
Washington, DC 20463

Identification Number: C06258244

Reference: 30 Day Post-General Report (10/17/02-11/25/02)

Dear Jill:

This letter is in response to your review of the report referenced above. An explanation of the items questioned follows:

There were unfortunately 2 excessive contributions in this report. Please note the letter and copy of a refund check for Boeckmann and Lubard. The aggregate file was not updated correctly and our software company has been made aware of the problems that has caused and is supplying a fix for the problem.

The record for Case was incorrectly input. The ammended report has the amount corrected and I have enclosed a copy of the redesignation letter we obtained from him at that time.

The contribution from K. Evans was a NSF check. We entered it as a contribution and then subtracted it from our report when he wrote and let us know there was a problem. Therefor he had contributed zero. He subsequently sent another \$520. check to replace his initial contribution and to pay for the costs his NSF check incurred at the bank. Thus his contribution level did not hit the level to trigger a 48 hour report and his total is still \$500. The extra \$20 will be included in line 14. Please see the enclosed documentation.
